Dear Hiring Manager,

I am writing to express my interest in the Web Developer position. With a solid background in web development and a passion for creating user-friendly websites, I am excited about the opportunity to contribute to your team's success.

In my recent role at LiiT Care Connect Inc., I honed my skills in designing and developing websites using HTML, CSS, JavaScript, PHP, C#, and MySQL, among other technologies. I collaborated closely with crossfunctional teams to implement solutions that enhanced the functionality and performance of existing systems.

I am A fast learner with strong time management and multi-tasking skills. Strong work ethic in the team or individual settings to drive product success and process efficiency. Strong troubleshooting and problem-solving skills with an analytical mindset. Your listed requirements closely match my background and skills. A few I would like to highlight that would enable me to contribute to your bottom line are:

- Highly skilled in designing, testing, and developing software.
- Well-versed in DBMS, Java, C++, C, JavaScript, HTML, CSS, WordPress, and Bootstrap.
- Equipped with the knowledge of Back-end languages Android Java, Android Kotlin, Asp.net, React, Visual Basic, Database: MySQL.
- Effective interpersonal, communication and conflict resolution skills.

Additionally, my educational background includes a one-year certificate program in Software Development from Bow Valley College, where I gained proficiency in various programming languages and technologies such as React, Node.js, SQL, and MongoDB. I also hold a degree in Business Administration, providing me with a well-rounded understanding of organizational dynamics and business processes.

I've attached a copy of my resume that details my education and experience. I can be reached anytime via my cell phone, 587-436-9190 or via email at seeratchahal8@gmail.com.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Warm regards,

Seerat Kaur
